*** If you already have an account with STS, click “Sign in”, and enter your previously created login and password. ***
- 3.) Upon creation of your account, you will be sent to a page that will allow you to “Start a new Payment Plan”. Be sure you are selecting the proper school year you are creating the payment plan for.
- 4.) The payment plan creation process is 5 easy steps counting the review/authorize page, each step will save as you advance to the next step. You are able to use the 5-step tool bar across the top of the page to toggle back to a previous step and make any necessary edits. However, please note, once you submit the payment plan and it enters “Pending” status any changes would need to be made by reaching out to your school’s administrator.

To view your balance, update your information or to make payments, you can access your STS account anytime at: <https://app.simpletuitionsolutions.org> and login using your previously created account information.

STS simply manages tuition and billing payments for your school and follows policies established by your school. Tuition amounts, Financial Aid amounts, Scholarships and all other tuition and billing related decisions are made by your school.
